

GREATER BALTIMORE CHURCH OF CHRIST

VOLUME 8, ISSUE 5

FEBRUARY 5, 2012

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard?
And how can they hear without someone preaching to them? And how can they preach unless they are sent?
As it is written, "How beautiful are the feet of those who bring good news!" Romans 10:14-15

Scott and Dionne Davis

Today, we are happy to introduce to you Scott and Dionne Davis, a very experienced and gifted couple who are with us as they interview to join the Baltimore staff.

Scott and Dionne have been married for many years and have three beautiful daughters, Cynthia, Gabby and Kate.

For the past nineteen years, the Davis's have led the Queens Region of the New York City Church of Christ, which now has over 300 members. The region includes disciples in all stages of life, married, single, campus and teens. They have also developed ministries to meet the needs of the Korean, Chinese and Spanish populations in Queens.

The Davis's truly love people; and have worked hard to seek and to save the lost, and to keep the saved faithful and growing. Through Bible study, an emphasis on relationships, and small groups, the retention rate among the disciples in Queens is a strong 75%. They have trained

many leaders both for small groups, and in the full-time ministry. In addition to their work in New York, they also mentored two of the Caribbean churches for five years (2003-2008).

In addition to his gifts as an Evangelist, Scott is an outstanding musician and vocalist. He has opened for such artists as Patti Labelle, Smokie Robinson and Empyrean Strings Orchestra. Recently he performed in Atlanta for the King family during MLK Day celebrations. In 2001, he wrote a song, "Courage Under Fire" which was given to families of the 9/11 tragedy.

Along with her gifts of teaching and training women, Dionne is also an excellent event organizer and administrator. Dionne is a wonderful mother, and their girls are a delight.

Welcome Scott and Dionne!
